Sponsorship is **exclusive** — one sponsor per aircraft program, one per supply chain sector. The sponsor's branding appears throughout that market's pages, and the market's report downloads are free to every visitor while the sponsorship runs.

Prices are the **annual sponsorship premium** for each market. Sponsors also hold an Enhanced Entry (£950/yr, once per company, however many markets are sponsored). **POA** — priced on application. Markets marked **sponsored** can be reserved on first refusal for when they free up.

To book, or for first refusal on a sponsored market: Bradley Wright, +44 (0)1279 714521, brad@airframer.com.

Aircraft programs

Every active program in the directory, alphabetically. The premium reflects the size of each program's published supply chain.
