“Knowledge is of two kinds. We know a subject ourselves, or we know where we can find information upon it.”

Samuel Johnson, 1775.

AIRFRAMER *index*

Machining

Contents

Sponsor: *page 2*

Put your name here: Sponsorship now available!

Companies: *page 4*

Alphabetical directory of suppliers by company name.

Categories: *page 23*

Directory of suppliers by category.

Countries: *page 27*

Index of suppliers by country.

Aircraft: *page 29*

Index of suppliers by aircraft program.

Contact us: *page 30*

All you need to know about sponsorship and subscription.

This Airframer Index is one of a series of daily-updated documents available to subscribers at the Airframer web site.

For a full list of the aircraft programs and industry categories currently published please visit the www.airframer.com home page. Subscriptions are available to individuals and to organisations wishing to provide site-wide access for all staff.

Note that the information contained in this index has been compiled from a variety of sources, and has not necessarily been confirmed by the aircraft manufacturer in every case. Please refer to our terms and conditions of use on the last page of this report.

Company index:

This list is sorted alphabetically by company name, and provides contact telephone and web address details. It also lists the products or services of the company under our Machining category and, where available, the new aircraft programs to which these are provided. Please note that the program data is gathered from a variety of sources and not necessarily confirmed by the airframer.

United Arab Emirates

EPI (Formerly Tawazun Precision Industries)

Aircraft index:

This list is sorted alphabetically by aircraft engine type and then by aircraft program name, and provides information about sub-contractors to each new aircraft program under our Machining category. Please note that the program data is gathered from a variety of sources and is not necessarily provided or confirmed by the airframer.

Electric

Dornier 228

GA PrecisionTech Europe GmbH - Machining Services/Cubic machined parts

Dornier Seawings DS-2C

Silence Aircraft GmbH - Milling/CNC milling of the models

eMagic One

Silence Aircraft GmbH - Milling/CNC milling of the models

Piston

Dornier Seawings DS-2C

Silence Aircraft GmbH - Milling/CNC milling of the models

Rotary

Airbus Helicopters H125

Mahindra Aerospace Aerostructures - Machining Services/Manufacture of main fuselage

Turbofan

Airbus A220

Aercal Aerospace SA - Machining Services, - Milling
Ascent Aerospace North America - Machining Systems/CMC waterjet machines
KP Aero Industries Co. Ltd. - Machining Services/Frame/fitting machining
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for wing-to-body joint

Airbus A320

Advanced Integration Technology (was Nova-Tech Engineering) - Drilling Equipment/Robotic drilling for automated line
EPI (Formerly Tawazun Precision Industries) - Machining Services/Class 1 flight-critical airframes for Airbus Atlantic
MTorres Disenos Industriales S.A. - Drilling Equipment/Trailing edge profile drilling & riveting system, - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems
Novator AB - Drilling Equipment/Orbital drilling system for wing flaps
Regal Precision Engineering Ltd. - Milling/Milling & turning components
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

Airbus A330

Bavius Technologie Inc. - Machining Systems/Structural parts machining
EPI (Formerly Tawazun Precision Industries) - Machining Services/Class 1 flight-critical airframes for Airbus Atlantic; complex titanium parts for Strata Manufacturing
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

Airbus A350

Aercal Aerospace SA - Machining Services, - Milling
Bavius Technologie Inc. - Machining Systems/Structural parts machining
MTorres Disenos Industriales S.A. - Machining Systems/Torresfiberlayup #5 AFP machine, - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems
Nimrod Aero Polska (was Azura Polska) - Machining Services/Sheet metal parts (A350-900)
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for pylon assembly
Regal Precision Engineering Ltd. - Milling/Milling & turning components

Starrag UK - Machining Systems/FMS system for rib machining at KAI

Airbus A380

Advanced Integration Technology, Inc. - Drilling Equipment/Section 19 circumferential drilling machines
Bavius Technologie Inc. - Machining Systems/Structural parts machining
Electroimpact - Drilling Equipment/Drilling machines
Fives Machining Systems, Inc. - Machining Systems/Metal & composites machining
Le Creneau Industriel - Machining Systems/CNC machine tools
Makino Milling Machine Co. Ltd. - Machining Systems/Machining centres for precision wing parts
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate
MTorres Disenos Industriales S.A. - Milling/5-axis milling machines for composite material parts, - Cutting Equipment/Ultrasonic cutting systems
PaR Systems, Inc. - Drilling Equipment/Automated drilling & fettling system
Regal Precision Engineering Ltd. - Milling/Milling & turning components
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

BAE Systems Hawk 100

Regal Precision Engineering Ltd. - Turning/Turning & milling components

Boeing 737

Aercal Aerospace SA - Milling
Bavius Technologie Inc. - Machining Systems/Structural parts machining
Electroimpact - Drilling Equipment/Automatic floor drilling equipment
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

Boeing 767

Component Products Corp. - Machining Services/Sheet metal machining
Fives Machining Systems, Inc. - Machining Systems/Metal & composites machining
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate

Boeing 777

Ascent Aerospace North America - Machining Systems/CMC machines for composite parts
Bavius Technologie Inc. - Machining Systems/Structural parts machining
Component Products Corp. - Machining Services/Sheet metal machining
Crystallume - Drill Bits/Diamond coated drills
Electroimpact - Drilling Equipment/Automatic floor drilling equipment
EPI (Formerly Tawazun Precision Industries) - Machining Services/Metallic machined parts
Fives Machining Systems, Inc. - Machining Systems/Metal & composites machining
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for wing-to-body joint
Sharon-Cutwell - Drill Bits/Drilling solution for composite wing

Boeing 787 Dreamliner

Advanced Integration Technology, Inc. - Drilling Equipment/Circumferential & automated drilling machines
Ascent Aerospace North America - Machining Systems/CMC waterjet machines
Bavius Technologie Inc. - Machining Systems/Structural parts machining
Component Products Corp. - Machining Services/Sheet metal machining
Crystallume - Drill Bits/Diamond coated drills
Electroimpact - Drilling Equipment/Major assembly tooling; automated fastening machines; automated drilling machines; portable CNC drilling machines
EPI (Formerly Tawazun Precision Industries) - Machining Services/Metallic machined parts
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for wing-to-body joint
PaR Systems, Inc. - Drilling Equipment/Trim & drill machines

Boeing F/A-18 Super Hornet

Advanced Integration Technology, Inc. - Drilling Equipment/Turkey automated drilling system for outer wing assembly
Electroimpact - Drilling Equipment/Automatic floor drilling equipment
Fives Machining Systems, Inc. - Machining Systems/Volumetric error compensation system for machining systems
MTorres Disenos Industriales S.A. - Drilling Equipment/Drilling systems

Boom Overture

Advanced Integration Technology, Inc. - Drilling Equipment

COMAC C919

Ascent Aerospace North America - Machining Systems/CMC waterjet machines

Embraer E-Jet 170/190 series

MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

Embraer ERJ-145 series

MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

Eurofighter Typhoon

Aercal Aerospace SA - Machining Services, - Milling
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling
Regal Precision Engineering Ltd. - Turning/Turning & milling components

KAI KF-21 Boramae

KP Aero Industries Co. Ltd. - Machining Services

Lockheed Martin F-16 Fighting Falcon

PaR Systems, Inc. - Drilling Equipment/Wing skin defastening system

Lockheed Martin F-35 Lightning II

Crystallume - Drill Bits/Diamond coated drills
KT Engineering - Machining Services/Canopy frames, shear webs and various assemblies
LAI International, Inc. - Machining Services/Precision-manufactured airframe components (through Northrop Grumman)
MTorres Disenos Industriales S.A. - Drilling Equipment/Drilling systems
Vianh Company Inc - Machining Services/CNC precision machining

Saab JAS 39 Gripen

MTI (1998) Ltd. - Machining Services/Manufacture of water separators, venturi & liquid cooled radar antenna

Turbojet

Boom Overture

Advanced Integration Technology, Inc. - Drilling Equipment

Turboprop

Airbus A400M

Aercal Aerospace SA - Machining Services, - Turning
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

Airbus C295

Aercal Aerospace SA - Machining Services, - Milling, - Turning

ATR 42/72

EPI (Formerly Tawazun Precision Industries) - Machining Services/Vital metallic components for Airbus Atlantic

Deutsche Aircraft D328eco

Tekniaero - Machining Services

Dornier 228

GA PrecisionTech Europe GmbH - Machining Services/Cubic machined parts

Lockheed Martin C-130J Hercules

Aero Products Company - Machining Services/Manufacture of paradrogue for in-flight refueling

Turboshaft

Airbus Helicopters H125

Mahindra Aerospace Aerostructures - Machining Services/Manufacture of main fuselage

Airbus Helicopters H130

Mahindra Aerospace Aerostructures - Machining Services/Manufacture of main fuselage

Bell 429

MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

Sikorsky CH-53K King Stallion

Sterling Engineering Corp. - Machining Services/Manufacture and supply of complex components

Rocket

ESA Invictus

Spirit AeroSystems, Inc. - Machining Services

AIRFRAMER *index*

SUBSCRIBING

This Airframer Index is one of a series of documents derived from the online database at www.airframer.com. It is updated every day.

An expanding series of these index reports about key aircraft programs and about specific aerospace supply chain sectors are available.

Subscribers can access all of the reports, while all visitors can download the reports which have been sponsored.

An individual subscription can be ordered by credit card from www.airframer.com/subscribe_front.html. A company subscription provides access for a number of concurrent users within a specified internet IP address range. More details are available by contacting Stephen Campbell on +44 (0)1279 714512 or stephen@airframer.com.

UPDATING

To advise us of additions, updates or corrections to the data included in this Index, please contact our research team on +44 (0)1279 714517 or research@airframer.com.

ADVERTISING

For full details, follow the advertising link at www.airframer.com

Sponsor (*annual booking*)

PDF:

- Your name on the front cover of the sponsored Index
- Full-page advertisement on page two
- Your details highlighted wherever they appear throughout the whole Index series

Web:

- Banner on the sponsored Index page
- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

Enhanced entry (*annual booking*)

PDF:

- Your details highlighted wherever they appear throughout the whole Index series

Web:

- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

To discuss advertising, please contact Bradley Wright on +44 (0)1279 714521 or brad@airframer.com.

Terms and conditions of use

The Airframer Index ("this Document") is a publication developed by Stansted News Limited ("SNL"). By downloading and reading the document you are deemed to have accepted these terms and conditions.

USE OF CONTENT: The services and information provided in this Document are for your personal, non commercial use only.

ACCURACY OF INFORMATION: Neither SNL nor any of its data providers or affiliates make any warranties expressed or implied, as to the accuracy, adequacy, quality or fitness for any particular purpose of the information or the services for a particular purpose or use and all such warranties are expressly excluded to the fullest extent that such warranties may be excluded by law.

INDEMNITY: You irrevocably indemnify SNL and its data providers and affiliates

from and against any and all losses, damages and costs suffered or incurred by SNL, or any data providers or affiliates of whatsoever nature arising out of or in connection with your use, provision or distribution of information of any part of this Document or any part or otherwise howsoever arising in relation to any breach of these terms and conditions by you.

HYPERTEXT LINKS: This Document provides hypertext links to sites on the Internet which are operated by other people. SNL takes no responsibility for and gives no warranties, guarantees or representations in respect of linked sites.

INTELLECTUAL PROPERTY: All intellectual property rights (including copyright, patents, trade marks) whether registered or not in this Document shall remain the property of SNL and no customer or other person shall, or shall attempt to obtain any title to such rights. Information appearing in this Document is the copyright of SNL

and must not be reproduced in any medium without licence. Users are permitted to copy some material for their personal use as private individuals only. Users must not republish any part of the data either on a website, or in any other medium, print, electronic or otherwise, or as part of any commercial service without the prior written permission of SNL.

ADVERTISING AND SPONSORSHIP: Parts of this Document contain advertising and sponsorship. Advertisers and sponsors are responsible for ensuring that material submitted for inclusion in this Document complies with all legal and regulatory requirements and does not contain any material which is objectionable including, without limit, information which is defamatory, obscene, threatening or untrue. SNL will not be responsible for any such material or any error or inaccuracy in advertising material.

LIABILITY: Due to the number of sources from which this Document obtains content

and the nature of electronic distribution via the world wide web neither SNL nor any of its data providers nor affiliates shall have any liability (whether in contract or tort) for any losses, costs or damages resulting from or related to use of or inability to use any information contained in this Document or the provision of this Document to the fullest extent to which such liability may be excluded or avoided by law and in no event shall SNL be liable to you for lost profits or for indirect, incidental, special, punitive or consequential damages arising out of or in relation to the provision of information on this Document. SNL makes no warranty that this Document is free from infection by viruses or anything else that has contaminating or destructive properties.

JURISDICTION: These terms and conditions will be governed by the laws of England and Wales and the parties agree to submit to the exclusive jurisdiction of the English Courts.
