This Airframer Index is one of a series of daily-updated documents available to subscribers at the Airframer web site.

For a full list of the aircraft programs and industry categories currently published please visit the [www.airframer.com](http://www.airframer.com) home page. Subscriptions are available to individuals and to organisations wishing to provide site-wide access for all staff.

Note that the information contained in this index has been compiled from a variety of sources, and has not necessarily been confirmed by the aircraft manufacturer in every case. Please refer to our terms and conditions of use on the last page of this report.

## Company index:

This list is sorted alphabetically by company name, and provides contact telephone and web address details. It also lists the products or services of the company under our Machining category and, where available, the new aircraft programs to which these are provided. Please note that the program data is gathered from a variety of sources and not necessarily confirmed by the airframer.

## Aircraft index:

This list is sorted alphabetically by aircraft engine type and then by aircraft program name, and provides information about sub-contractors to each new aircraft program under our Machining category. Please note that the program data is gathered from a variety of sources and is not necessarily provided or confirmed by the airframer.

## Electric

### Dornier 228

GA PrecisionTech Europe GmbH - Machining Services/Cubic machined parts

### Dornier Seawings DS-2C

Silence Aircraft GmbH - Milling/CNC milling of the models

### eMagic One

Silence Aircraft GmbH - Milling/CNC milling of the models

## Piston

### Dornier Seawings DS-2C

Silence Aircraft GmbH - Milling/CNC milling of the models

## Rotary

### Airbus Helicopters H125

Mahindra Aerospace Aerostructures - Machining Services/Manufacture of main fuselage

## Turbofan

### Airbus A220

Aercal Aerospace SA - Machining Services, - Milling  
Ascent Aerospace North America - Machining Systems/CMC waterjet machines  
KP Aero Industries Co. Ltd. - Machining Services/Frame/fitting machining  
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for wing-to-body joint

### Airbus A320

Advanced Integration Technology (was Nova-Tech Engineering) - Drilling Equipment/Robotic drilling for automated line  
EPI (Formerly Tawazun Precision Industries) - Machining Services/Class 1 flight-critical airframes for Airbus Atlantic  
MTorres Disenos Industriales S.A. - Drilling Equipment/Trailing edge profile drilling & riveting system, - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems  
Novator AB - Drilling Equipment/Orbital drilling system for wing flaps  
Regal Precision Engineering Ltd. - Milling/Milling & turning components  
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

### Airbus A330

Bavius Technologie Inc. - Machining Systems/Structural parts machining  
EPI (Formerly Tawazun Precision Industries) - Machining Services/Class 1 flight-critical airframes for Airbus Atlantic; complex titanium parts for Strata Manufacturing  
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems  
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

### Airbus A350

Aercal Aerospace SA - Machining Services, - Milling  
Bavius Technologie Inc. - Machining Systems/Structural parts machining  
MTorres Disenos Industriales S.A. - Machining Systems/Torresfiberlayup #5 AFP machine, - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems  
Nimrod Aero Polska (was Azura Polska) - Machining Services/Sheet metal parts (A350-900)  
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for pylon assembly  
Regal Precision Engineering Ltd. - Milling/Milling & turning components

Starrag UK - Machining Systems/FMS system for rib machining at KAI

### Airbus A380

Advanced Integration Technology, Inc. - Drilling Equipment/Section 19 circumferential drilling machines  
Bavius Technologie Inc. - Machining Systems/Structural parts machining  
Electroimpact - Drilling Equipment/Drilling machines  
Fives Machining Systems, Inc. - Machining Systems/Metal & composites machining  
Le Creneau Industriel - Machining Systems/CNC machine tools  
Makino Milling Machine Co. Ltd. - Machining Systems/Machining centres for precision wing parts  
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate  
MTorres Disenos Industriales S.A. - Milling/5-axis milling machines for composite material parts, - Cutting Equipment/Ultrasonic cutting systems  
PaR Systems, Inc. - Drilling Equipment/Automated drilling & fettling system  
Regal Precision Engineering Ltd. - Milling/Milling & turning components  
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

### BAE Systems Hawk 100

Regal Precision Engineering Ltd. - Turning/Turning & milling components

### Boeing 737

Aercal Aerospace SA - Milling  
Bavius Technologie Inc. - Machining Systems/Structural parts machining  
Electroimpact - Drilling Equipment/Automatic floor drilling equipment  
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate  
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

### Boeing 767

Component Products Corp. - Machining Services/Sheet metal machining  
Fives Machining Systems, Inc. - Machining Systems/Metal & composites machining  
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate

### Boeing 777

Ascent Aerospace North America - Machining Systems/CMC machines for composite parts  
Bavius Technologie Inc. - Machining Systems/Structural parts machining  
Component Products Corp. - Machining Services/Sheet metal machining  
Crystallume - Drill Bits/Diamond coated drills  
Electroimpact - Drilling Equipment/Automatic floor drilling equipment  
EPI (Formerly Tawazun Precision Industries) - Machining Services/Metallic machined parts  
Fives Machining Systems, Inc. - Machining Systems/Metal & composites machining  
MPC Industrial Products, Inc. - Grinding/High tolerances precision grinding sheet & plate  
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling  
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for wing-to-body joint  
Sharon-Cutwell - Drill Bits/Drilling solution for composite wing

### Boeing 787 Dreamliner

Advanced Integration Technology, Inc. - Drilling Equipment/Circumferential & automated drilling machines  
Ascent Aerospace North America - Machining Systems/CMC waterjet machines  
Bavius Technologie Inc. - Machining Systems/Structural parts machining  
Component Products Corp. - Machining Services/Sheet metal machining  
Crystallume - Drill Bits/Diamond coated drills  
Electroimpact - Drilling Equipment/Major assembly tooling; automated fastening machines; automated drilling machines; portable CNC drilling machines  
EPI (Formerly Tawazun Precision Industries) - Machining Services/Metallic machined parts  
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling  
Novator AB - Drilling Equipment/Orbital Portable M-Series drilling units for wing-to-body joint  
PaR Systems, Inc. - Drilling Equipment/Trim & drill machines

### Boeing F/A-18 Super Hornet

Advanced Integration Technology, Inc. - Drilling Equipment/Turkey automated drilling system for outer wing assembly  
Electroimpact - Drilling Equipment/Automatic floor drilling equipment  
Fives Machining Systems, Inc. - Machining Systems/Volumetric error compensation system for machining systems  
MTorres Disenos Industriales S.A. - Drilling Equipment/Drilling systems

### Boom Overture

Advanced Integration Technology, Inc. - Drilling Equipment

### COMAC C919

Ascent Aerospace North America - Machining Systems/CMC waterjet machines

### Embraer E-Jet 170/190 series

MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

### Embraer ERJ-145 series

MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

### Eurofighter Typhoon

Aercal Aerospace SA - Machining Services, - Milling  
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling  
Regal Precision Engineering Ltd. - Turning/Turning & milling components

### KAI KF-21 Boramae

KP Aero Industries Co. Ltd. - Machining Services

### Lockheed Martin F-16 Fighting Falcon

PaR Systems, Inc. - Drilling Equipment/Wing skin defastening system

### Lockheed Martin F-35 Lightning II

Crystallume - Drill Bits/Diamond coated drills  
KT Engineering - Machining Services/Canopy frames, shear webs and various assemblies  
LAI International, Inc. - Machining Services/Precision-manufactured airframe components (through Northrop Grumman)  
MTorres Disenos Industriales S.A. - Drilling Equipment/Drilling systems  
Vianh Company Inc - Machining Services/CNC precision machining

### Saab JAS 39 Gripen

MTI (1998) Ltd. - Machining Services/Manufacture of water separators, venturi & liquid cooled radar antenna

## Turbojet

### Boom Overture

Advanced Integration Technology, Inc. - Drilling Equipment

## Turboprop

### Airbus A400M

Aercal Aerospace SA - Machining Services, - Turning  
MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling, - Cutting Equipment/Ultrasonic cutting systems  
ZB3 Technologies Ltd - Drilling Equipment/Halosensor drill position locator

### Airbus C295

Aercal Aerospace SA - Machining Services, - Milling, - Turning

### ATR 42/72

EPI (Formerly Tawazun Precision Industries) - Machining Services/Vital metallic components for Airbus Atlantic

### Deutsche Aircraft D328eco

Tekniaero - Machining Services

### Dornier 228

GA PrecisionTech Europe GmbH - Machining Services/Cubic machined parts

### Lockheed Martin C-130J Hercules

Aero Products Company - Machining Services/Manufacture of paradrogue for in-flight refueling

## Turboshaft

### Airbus Helicopters H125

Mahindra Aerospace Aerostructures - Machining Services/Manufacture of main fuselage

### Airbus Helicopters H130

Mahindra Aerospace Aerostructures - Machining Services/Manufacture of main fuselage

### Bell 429

MTorres Disenos Industriales S.A. - Milling/Milling systems with flexible tooling

### Sikorsky CH-53K King Stallion

Sterling Engineering Corp. - Machining Services/Manufacture and supply of complex components

## Rocket

### ESA Invictus

Spirit AeroSystems, Inc. - Machining Services

# AIRFRAMER *index*

## SUBSCRIBING

This Airframer Index is one of a series of documents derived from the online database at [www.airframer.com](http://www.airframer.com). It is updated every day.

An expanding series of these index reports about key aircraft programs and about specific aerospace supply chain sectors are available.

Subscribers can access all of the reports, while all visitors can download the reports which have been sponsored.

An individual subscription can be ordered by credit card from [www.airframer.com/subscribe\\_front.html](http://www.airframer.com/subscribe_front.html). A company subscription provides access for a number of concurrent users within a specified internet IP address range. More details are available by contacting Stephen Campbell on +44 (0)1279 714512 or [stephen@airframer.com](mailto:stephen@airframer.com).

## UPDATING

To advise us of additions, updates or corrections to the data included in this Index, please contact our research team on +44 (0)1279 714517 or [research@airframer.com](mailto:research@airframer.com).

## ADVERTISING

For full details, follow the advertising link at [www.airframer.com](http://www.airframer.com)

### Sponsor (annual booking)

PDF:

- Your name on the front cover of the sponsored Index
- Full-page advertisement on page two
- Your details highlighted wherever they appear throughout the whole Index series

Web:

- Banner on the sponsored Index page
- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

### Enhanced entry (annual booking)

PDF:

- Your details highlighted wherever they appear throughout the whole Index series

Web:

- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

To discuss advertising, please contact Bradley Wright on +44 (0)1279 714521 or [brad@airframer.com](mailto:brad@airframer.com).

### Terms and conditions of use

The Airframer Index ("this Document") is a publication developed by Stansted News Limited ("SNL"). By downloading and reading the document you are deemed to have accepted these terms and conditions.

**USE OF CONTENT:** The services and information provided in this Document are for your personal, non commercial use only.

**ACCURACY OF INFORMATION:** Neither SNL nor any of its data providers or affiliates make any warranties expressed or implied, as to the accuracy, adequacy, quality or fitness for any particular purpose of the information or the services for a particular purpose or use and all such warranties are expressly excluded to the fullest extent that such warranties may be excluded by law.

**INDEMNITY:** You irrevocably indemnify SNL and its data providers and affiliates

from and against any and all losses, damages and costs suffered or incurred by SNL, or any data providers or affiliates of whatsoever nature arising out of or in connection with your use, provision or distribution of information of any part of this Document or any part or otherwise howsoever arising in relation to any breach of these terms and conditions by you.

**HYPERTEXT LINKS:** This Document provides hypertext links to sites on the Internet which are operated by other people. SNL takes no responsibility for and gives no warranties, guarantees or representations in respect of linked sites.

**INTELLECTUAL PROPERTY:** All intellectual property rights (including copyright, patents, trade marks) whether registered or not in this Document shall remain the property of SNL and no customer or other person shall, or shall attempt to obtain any title to such rights. Information appearing in this Document is the copyright of SNL

and must not be reproduced in any medium without licence. Users are permitted to copy some material for their personal use as private individuals only. Users must not republish any part of the data either on a website, or in any other medium, print, electronic or otherwise, or as part of any commercial service without the prior written permission of SNL.

**ADVERTISING AND SPONSORSHIP:** Parts of this Document contain advertising and sponsorship. Advertisers and sponsors are responsible for ensuring that material submitted for inclusion in this Document complies with all legal and regulatory requirements and does not contain any material which is objectionable including, without limit, information which is defamatory, obscene, threatening or untrue. SNL will not be responsible for any such material or any error or inaccuracy in advertising material.

**LIABILITY:** Due to the number of sources from which this Document obtains content

and the nature of electronic distribution via the world wide web neither SNL nor any of its data providers nor affiliates shall have any liability (whether in contract or tort) for any losses, costs or damages resulting from or related to use of or inability to use any information contained in this Document or the provision of this Document to the fullest extent to which such liability may be excluded or avoided by law and in no event shall SNL be liable to you for lost profits or for indirect, incidental, special, punitive or consequential damages arising out of or in relation to the provision of information on this Document. SNL makes no warranty that this Document is free from infection by viruses or anything else that has contaminating or destructive properties.

**JURISDICTION:** These terms and conditions will be governed by the laws of England and Wales and the parties agree to submit to the exclusive jurisdiction of the English Courts.
