AIRFRAMER *index*

Test Services

Contents

Sponsor: *page 2*

Sponsored by: Emitech Group

Companies: *page 4*

Alphabetical directory of suppliers by company name.

Categories: *page 22*

Directory of suppliers by category.

Countries: *page 25*

Index of suppliers by country.

Aircraft: *page 27*

Index of suppliers by aircraft program.

Contact us: *page 29*

All you need to know about sponsorship and subscription.

This Airframer Index is one of a series of daily-updated documents available to subscribers at the Airframer web site.

For a full list of the aircraft programs and industry categories currently published please visit the www.airframer.com home page. Subscriptions are available to individuals and to organisations wishing to provide site-wide access for all staff.

Note that the information contained in this index has been compiled from a variety of sources, and has not necessarily been confirmed by the aircraft manufacturer in every case. Please refer to our terms and conditions of use on the last page of this report.

Company index:

This list is sorted alphabetically by company name, and provides contact telephone and web address details. It also lists the products or services of the company under our Test Services category and, where available, the new aircraft programs to which these are provided. Please note that the program data is gathered from a variety of sources and not necessarily confirmed by the airframer.

LMI Everett - Merrill Creek	Tech Mahindra (Americas)	
Lucas Industries	TEMCO	
Lucideon M+P	The Rubber Group	
M4 Engineering Inc.	The Soundcoat Company	

Aircraft index:

This list is sorted alphabetically by aircraft engine type and then by aircraft program name, and provides information about sub-contractors to each new aircraft program under our Test Services category. Please note that the program data is gathered from a variety of sources and is not necessarily provided or confirmed by the airframer.

Electric

Archer Midnight

National Institute for Aviation Research (NIAR WSU) - Testing Services/Assisted in battery drop testing

AutoFlight Prosperity 1

AutoFlight Europe - Certification Services

Bartini Aero eVTOL

The National University of Science and Technology (NUST MISIS) - Prototyping

BRM AERO Bristell

Aircraft Design Certification GmbH - Certification Services/(B23), - Testing Services/Structure and system testing (B23)

EHang 216

FACC AG - Certification Services/Certification of Technology Ehang 216

Elektra Solar Elektra One

DLR - German Aerospace Center - Prototyping

Eviation Alice

AeroTEC - Certification Services/Partner with Eviation
Barrett Aerospace Pte. Ltd. - Testing Services/Testing of empennage

Faradair Aerospace BEHA

Nova Systems - Certification Services/Prototype certification

Jaunt Journey

Radius Aerospace - Fort Worth - Testing Services

Joby S4

Arnold Engineering Development Complex (AEDC) - Testing Services/Oversaw propeller testing at National Full-Scale Aerodynamic Complex
Avionyx Inc - Testing Services/Software testing and verification

Lilium Lilium Jet

Speedgoat GmbH - Testing Services/Hardware-in-the-loop testing of controllers

REGENT Seaglider

Marple BV - Data Analysis/Marple data analysis platform used for flight testing data analysis

Skydweller Solar Impulse 2 (S12)

Mubea Aerostructures GmbH (was Ruag Aerostructures) - Aerodynamic Test Services/Aerodynamics & structure testing

Solar Impulse Climate Impulse

Aircraft Design Certification GmbH - Certification Services
Daher - Certification Services/Aerodynamic and structural studies in preparation for flight testing

Vaeridion Electric Microliner

DLR - German Aerospace Center - Testing Services/D328 UpLift D-CUPL testbed used for flight testing battery technology (with Deutsche Aircraft)

Vertical Aerospace Valo

Marple BV - Data Analysis/Marple data analysis platform used for rig & flight testing data analysis

Volocopter VoloCity

DLR - German Aerospace Center - Vibration Testing/Static vibration testing

Wisk Cora

Insitu Pacific - Testing Services/Evaluation, testing and demonstration services
Verocel, Inc. - Certification Services/VeroTrace certification software

XTI TriFan 600

Scion Aviation, LLC - Prototyping/Prototype development (TriFan 600)
Trek Aerospace, Inc. - Prototyping/60% prototype

Piston

BRM AERO Bristell

Aircraft Design Certification GmbH - Certification Services/(B23), - Testing Services/Structure and system testing (B23)

Junkers A50 Junior

Kaelin Aero Technologies GmbH - Prototyping/Initial prototype through to flight testing prototype

Lightwing AC4

Aircraft Design Certification GmbH - Certification Services

Tomark Viper SD-4

Aircraft Design Certification GmbH - Certification Services, - Testing Services/Structure and system testing

Utva Lasta

Military Technical Institute (VTI) - Aerodynamic Test Services/Model tested by Experimental Aerodynamics Laboratory

Rotary

Skyworks Vertijet

Scaled Composites LLC - Prototyping

Turbofan

Airbus A220

Element Materials Technology, Anaheim (was NTS Anaheim/HQ) - Testing Services/Electrical power system testing
Strand Aerospace Malaysia - Testing Services/Thrust reverser components, finite element analysis

Airbus A320

Airbus Filton - Testing Services/Design of root fillet fairing for short landings
Cascade Engineering - Stress Analysis/Conducted design & certification static and F&DT analysis for numerous wing components
CT Ingenierie - Stress Analysis/Nacelle stress engineering
CTA - Aeronautical Technologies Centre - Testing Services/Bending, torsion & elevator tests
Strand Aerospace Malaysia - Fatigue Testing/Skin-rib-stringers and spars, F&DT, - Stress Analysis/Sharklet, fixed trailing edge and leading edge panel support structure (buttstraps), static analysis. Design and type certification stress analysis of FLE and FTE structures, - Fatigue Testing/Static and fatigue analyses on A320 family spar flanges and butt strap joints for the use of oversize fasteners. Also, nose and main landing gear structures
Thiot Ingenierie - Testing Services/Impact testing
Woodford Engineering Consultancy (UK) Ltd. - Certification Services/ Certification engineering services

Airbus A330

CT Ingenierie - Stress Analysis/Nacelle stress engineering
CTA - Aeronautical Technologies Centre - Certification Services/Boom must static-fatigue tests for refuelling system
Strand Aerospace Malaysia - Fatigue Testing/Aileron & spoiler support structure, flap support structure, skin-centre spar. F&DT, - Stress Analysis/Design and type certification stress analysis of FLE and FTE structures
Thiot Ingenierie - Testing Services/Impact testing
Woodford Engineering Consultancy (UK) Ltd. - Certification Services/ Certification engineering services

Airbus A350

Airbus Filton - Testing Services/Landing gear systems testing, - Testing Services/Fuel system and engine testing
Cascade Engineering - Stress Analysis/Supported the entire Wing Fixed Trailing Edge development programme from A-Scheme, through to completion of certification
CoLT Prüf und Test GmbH - Fatigue Testing/Level 3 full-scale test of the A350XWB winglet wingtips
CT Ingenierie - Stress Analysis/Nacelle stress engineering
CTA - Aeronautical Technologies Centre - Testing Services/Testing for elevator, HTP & main landing gear box components
Peters Engineering (G.F. Peters & Partner GmbH) - Stress Analysis/Stress analysis of rear fuselage skins & stringer, rear pressure bulkhead. Systems interface/zone management forward & rear fuselage
Strand Aerospace Malaysia - Stress Analysis/Supported Messier-Dowty in the optimization of main landing gear structures
Thiot Ingenierie - Testing Services/Impact testing
Woodford Engineering Consultancy (UK) Ltd. - Certification Services/ Certification engineering services
WTI (was Wineman Technology Inc.) - Testing Services/Cargo actuator testing

Airbus A380

Cascade Engineering - Stress Analysis/Conducted certification F&DT analysis and approval of numerous wing fixed trailing edge components
CT Ingenierie - Stress Analysis/Nacelle stress engineering
CTA - Aeronautical Technologies Centre - Testing Services/Test packages including: tail plane centre-joint panels, horizontal tail plane support structure & screwjack, NLG actuator & doors, vertical fin fitting, engine pylon, engine

rear attachment, mid flap & gear rib
IABG mbH - Fatigue Testing/Complete airframe fatigue test
Konrad Technologies UK - Testing Services/Aerospace test system KT-6000, PAUL
Marshall Aerospace Test Services - Testing Services/Wing section testing
MTI (1998) Ltd. - Testing Services/Pressure testing of brazed fuel pumps
Peters Engineering (G.F. Peters & Partner GmbH) - Stress Analysis/Stress support
Strand Aerospace Malaysia - Certification Services/Certification analysis of the lower leading edge composite panel, - Stress Analysis/Rear spar, static test, - Fatigue Testing/Rear spar, F&DT, - Certification Services/Inboard fixed leading edge lower panels and inboard outer fixed leading edge upper & lower panels.
Composite certification, - Testing Services/A380-800 fixed leading edge composite panels, finite element analysis, - Stress Analysis/Design and type certification stress analysis of FLE and FTE structures
TC Inter-Informatics a.s. - Stress Analysis/Strength justification for interior B-bracket
TUV SUD Product Service - Testing Services
Woodford Engineering Consultancy (UK) Ltd. - Certification Services/ Certification engineering services

BAE Systems Hawk 100

Strand Aerospace Malaysia - Fatigue Testing/Fatigue life assessment

Boeing 737

Cascade Engineering - Stress Analysis/Supported the entire wing & fuselage stores pylons development programme from concept, through to completion of certification

Boeing 787 Dreamliner

Konrad Technologies UK - Testing Services/Aerospace test system KT-6000, PAUL
OMPM srl - Stress Analysis/Stress analysis (CFRP-Metal) of body splice, pax floor including system & electrical installation; side of body at main landing gear and pressure deck interface, horizontal stabilizer, pax floor including system installation, cargo barrier, and EEBAY floor
Solar Atmospheres of Western PA Inc. - Inspection Service/Fluorescent liquid penetrant inspection of titanium seat track system (for RTI Claro)
TUV SUD Product Service - Testing Services

Boeing F-15E Strike Eagle

Element Materials Technology, Anaheim (was NTS Anaheim/HQ) - Electronic Test Services/Electronic test systems

Boeing F/A-18 Super Hornet

Element Materials Technology, Anaheim (was NTS Anaheim/HQ) - Electronic Test Services/Electronic test systems

Boom Overture

ATI Specialty Alloys & Components - Metallurgical Testing/Testing of Symphony engine superalloy
Flight Research - Testing Services/Flight test support

COMAC C909

Parker FACRI Actuation Systems - Testing Services/Testing for flight control products

COMAC C919

Element Materials Technology, Warwick - Testing Services/hydrodynamic ditching test
Parker FACRI Actuation Systems - Testing Services/Testing for flight control products

Dassault X7

CT Ingenierie - Testing Services/Primary and secondary structure, test and hydraulic system
CTA - Aeronautical Technologies Centre - Testing Services/Belly fairing bird strike certification tests; engine burst out fuselage impact test

Embraer E-Jet 170/190 series

CoLT Prüf und Test GmbH - Fatigue Testing/Aileron
CTA - Aeronautical Technologies Centre - Testing Services/Structural integrity & endurance testing, - Fatigue Testing/Static, fatigue & residual strength tests on rudder
LDRA Ltd. - Certification Services/Flight Control System Assessment and System Verification Technology during certification

Embraer ERJ-145 series

Akaer - Certification Services/Supported Embraer up to type certification (FAR/JAR 25). Segments: Central Fuselage, Horizontal / Vertical Tails, Elevator and Tabs. Structural substantiation, detail design, technical reports and all engineering documentation.
CTA - Aeronautical Technologies Centre - Certification Services/Certification tests on wings, wing flap guides, inside/outside flap

Eurofighter Typhoon

CT Ingenierie - Testing Services/Structural analysis and justification of root rib resistance
Konrad Technologies UK - Testing Services/Aerospace test system KT-6000, PAUL

Gulfstream G650

VZLU Aerospace (Czech Aerospace Research Centre) - Testing Services/Static and fatigue testing of rudder

Hermeus Darkhorse

Arnold Engineering Development Complex (AEDC) - Testing Services/Test campaign, included testing remote command and control taxiing (Quarterhorse)

Lockheed Martin F-16 Fighting Falcon

Dayton T. Brown, Inc. - Environmental Testing Services
NASA Armstrong Flight Research Center - Testing Services/Flight tests of Automatic Ground Collision Avoidance System GCAS

Lockheed Martin F-35 Lightning II

Aversan Inc - Testing Services/Power and thermal management system development and testing
BAE Systems plc - Testing Services/Heat & noise impact testing
Dayton T. Brown, Inc. - Environmental Testing Services, - Vibration Testing, - Testing Services/EMI testing
HBK - Hottinger Brüel & Kjær - Data Analysis/Test data management & processing
Janicki Industries - Prototyping/Full scale pole model for radar signature testing
Triumph Aerospace Structures - Technology & Engineering Center - Arlington - Testing Services/Full-scale drop testing

Lockheed Martin Skunk Works X-59 QuesST

NASA Armstrong Flight Research Center - Testing Services/Engine speed hold ground testing
NASA Langley Research Center - Testing Services/Development and testing of external Visibility System (XVS)

Pilatus PC-24

Cascade Engineering - Stress Analysis/Conducted design, development & certification static stress analysis for the rear fuselage and vertical tail
Woodford Engineering Consultancy (UK) Ltd. - Certification Services/ Certification services

Radia WindRunner

AFuzion Inc. - Certification Services/Certification consulting

Skyworks Vertijet

Scaled Composites LLC - Prototyping

Virgin Galactic Mothership

Scaled Composites LLC - Prototyping

Turbojet

Boom Overture

ATI Specialty Alloys & Components - Metallurgical Testing/Testing of Symphony engine superalloy
Flight Research - Testing Services/Flight test support

Hermeus Darkhorse

Arnold Engineering Development Complex (AEDC) - Testing Services/Test campaign, included testing remote command and control taxiing (Quarterhorse)

Turboprop

Airbus A400M

Cascade Engineering - Stress Analysis/Conducted static & F&DT design & certification analysis for the flap track attachment fittings
IABG mbH - Fatigue Testing
Phixos - Data Analysis/Verification activities on TP400-D6 engine, including code reviews, static analysis, control & data flow analysis & module testing
Strand Aerospace Malaysia - Stress Analysis/Design and type certification stress analysis of FLE and FTE structures, - Fatigue Testing/Aileron support structure, spoiler support structure, F&DT. Also, nose and main landing gear structures
Thiot Ingenierie - Testing Services/Impact testing
TUV SUD Product Service - Testing Services
Woodford Engineering Consultancy (UK) Ltd. - Certification Services/ Certification engineering services

BAE Mantis

Cranfield Aerospace Solutions Ltd - Testing Services/Vibration data logger

Daher TBM910/960

Daher Fly'In TechCenter - Testing Services/AI and embedded systems testing, - Prototyping

Deutsche Aircraft D328eco

Akkodis (was AKKA Technologies) - Certification Services/Through Akkodis Germany AS&D GmbH)

DMD Solutions, Spain - Certification Services/RAMS analysis and certification services

Dornier Seawings Seastar

DLR - German Aerospace Center - Testing Services/Ground vibration testing (GVT)

Explorer Prototype

Scion Aviation, LLC - Prototyping

Faradair Aerospace BEHA

Nova Systems - Certification Services/Prototype certification

General Atomics MQ-9

National Institute for Aviation Research (NIAR WSU) - Fatigue Testing/Full-scale fatigue testing

Lockheed Martin C-130J Hercules

Dayton T. Brown, Inc. - Testing Services/EMI testing

Northrop Grumman E-2D Advanced Hawkeye

Dayton T. Brown, Inc. - Vibration Testing, - Environmental Testing Services, - Testing Services/EMI testing

Pilatus PC-12

Cascade Engineering - Stress Analysis/Provided the entire structural design & analysis effort for the introduction of the forward fuselage equipment bay and the introduction of a radar, plus various other equipment

XAC MA700

Parker FACRI Actuation Systems - Testing Services/Testing for flight control products

XTI TriFan 600

Scion Aviation, LLC - Prototyping/Prototype development (TriFan 600)
Trek Aerospace, Inc. - Prototyping/60% prototype

Turboshaft

Airbus Helicopters H175

Thiot Ingenierie - Testing Services/Impact testing

Avicopter AC311

Cascade Engineering - Stress Analysis/Certification static stress analysis and formal reports for composite fairings for engine air filter

Avicopter AC313

Cascade Engineering - Stress Analysis/Provided manufacturing support to allow alternative suppliers to produce components for engine air filter

Bell Boeing V-22 Osprey

Element Materials Technology, Cleveland - Testing Services

HAL LUH

Cascade Engineering - Stress Analysis/Certification static stress analysis and formal reports for composite fairings for engine air filter

KAI LAH/LCH

Cascade Engineering - Stress Analysis/Conducted birdstrike analysis for the engine intake bypass door

Leonardo AW101

Cascade Engineering - Stress Analysis/Conducted certification static stress analysis and reporting for the SAR racks
Strand Aerospace Malaysia - Stress Analysis/Civil 510 static stress analysis of the foward fuselage region

MIL Mi-17/171

Cascade Engineering - Stress Analysis/Provided the entire structural design & analysis effort for the engine intake filter development

Sikorsky CH-53K King Stallion

Dayton T. Brown, Inc. - Fatigue Testing, - Testing Services

Sikorsky S-76

Dayton T. Brown, Inc. - Environmental Testing Services, - Testing Services/EMI testing
WTI (was Wineman Technology Inc.) - Testing Services/Damper test

Sikorsky S-92 Superhawk

CTA - Aeronautical Technologies Centre - Fatigue Testing/Static & fatigue tests on horizontal stabiliser

Urban Aeronautics City Hawk

Cert Center Canada (3C) - Certification Services

Hybrid

Faradair Aerospace BEHA

Nova Systems - Certification Services/Prototype certification

REGENT Seaglider

Marple BV - Data Analysis/Marple data analysis platform used for flight testing data analysis

Solar Impulse Climate Impulse

Aircraft Design Certification GmbH - Certification Services
Daher - Certification Services/Aerodynamic and structural studies in preparation for flight testing

Vertical Aerospace Valo

Marple BV - Data Analysis/Marple data analysis platform used for rig & flight testing data analysis

XTI TriFan 600

Scion Aviation, LLC - Prototyping/Prototype development (TriFan 600)
Trek Aerospace, Inc. - Prototyping/60% prototype

Rocket

ATRX Space Plane

Cummings Aerospace - Prototyping/Developing variant of Hellhound UAS for ATR propulsion testing

Boeing X-37

NASA Armstrong Flight Research Center - Testing Services/(X-37A)

Sierra Space Dream Chaser

NASA Armstrong Flight Research Center - Testing Services/Autonomous landing gear deployment flight testing

Unpowered

Virgin Galactic Delta Class

Scaled Composites LLC - Prototyping

AIRFRAMER *index*

SUBSCRIBING

This Airframer Index is one of a series of documents derived from the online database at www.airframer.com. It is updated every day.

An expanding series of these index reports about key aircraft programs and about specific aerospace supply chain sectors are available.

Subscribers can access all of the reports, while all visitors can download the reports which have been sponsored.

An individual subscription can be ordered by credit card from www.airframer.com/subscribe_front.html. A company subscription provides access for a number of concurrent users within a specified internet IP address range. More details are available by contacting Stephen Campbell on +44 (0)1279 714512 or stephen@airframer.com.

UPDATING

To advise us of additions, updates or corrections to the data included in this Index, please contact our research team on +44 (0)1279 714517 or research@airframer.com.

Terms and conditions of use

The Airframer Index ("this Document") is a publication developed by Stansted News Limited ("SNL"). By downloading and reading the document you are deemed to have accepted these terms and conditions.

USE OF CONTENT: The services and information provided in this Document are for your personal, non commercial use only.

ACCURACY OF INFORMATION: Neither SNL nor any of its data providers or affiliates make any warranties expressed or implied, as to the accuracy, adequacy, quality or fitness for any particular purpose of the information or the services for a particular purpose or use and all such warranties are expressly excluded to the fullest extent that such warranties may be excluded by law.

INDEMNITY: You irrevocably indemnify SNL and its data providers and affiliates

from and against any and all losses, damages and costs suffered or incurred by SNL, or any data providers or affiliates of whatsoever nature arising out of or in connection with your use, provision or distribution of information of any part of this Document or any part or otherwise howsoever arising in relation to any breach of these terms and conditions by you.

HYPERTEXT LINKS: This Document provides hypertext links to sites on the Internet which are operated by other people. SNL takes no responsibility for and gives no warranties, guarantees or representations in respect of linked sites.

INTELLECTUAL PROPERTY: All intellectual property rights (including copyright, patents, trade marks) whether registered or not in this Document shall remain the property of SNL and no customer or other person shall, or shall attempt to obtain any title to such rights. Information appearing in this Document is the copyright of SNL

and must not be reproduced in any medium without licence. Users are permitted to copy some material for their personal use as private individuals only. Users must not republish any part of the data either on a website, or in any other medium, print, electronic or otherwise, or as part of any commercial service without the prior written permission of SNL.

ADVERTISING AND SPONSORSHIP: Parts of this Document contain advertising and sponsorship. Advertisers and sponsors are responsible for ensuring that material submitted for inclusion in this Document complies with all legal and regulatory requirements and does not contain any material which is objectionable including, without limit, information which is defamatory, obscene, threatening or untrue. SNL will not be responsible for any such material or any error or inaccuracy in advertising material.

LIABILITY: Due to the number of sources from which this Document obtains content

and the nature of electronic distribution via the world wide web neither SNL nor any of its data providers nor affiliates shall have any liability (whether in contract or tort) for any losses, costs or damages resulting from or related to use of or inability to use any information contained in this Document or the provision of this Document to the fullest extent to which such liability may be excluded or avoided by law and in no event shall SNL be liable to you for lost profits or for indirect, incidental, special, punitive or consequential damages arising out of or in relation to the provision of information on this Document. SNL makes no warranty that this Document is free from infection by viruses or anything else that has contaminating or destructive properties.

JURISDICTION: These terms and conditions will be governed by the laws of England and Wales and the parties agree to submit to the exclusive jurisdiction of the English Courts.
