Boeing 737

A cross-reference of program suppliers, including

289 companies

Full report compiled from the Airframer database on October 4, 2020.
For the latest information, visit www.airframer.com

Sponsored by: AC Products, Inc.
SERVICE IS PART OF OUR FORMULA

THE GLOBAL SOLUTIONS LEADER IN AEROSPACE PEELABLE COATINGS TECHNOLOGY.

AC Products, Inc. provides a full line of peelable maskants to meet global environmental standards.

Our technologies include:
- **Solvent Based Coatings and Maskants**
  - Flammable
  - Non-flammable
  - USA Exempt (non-VOC, non HAP)
- **Water Based Coatings and Maskants**
  - 100% Solids Plural Component Coatings and Maskants

AC Products process solutions include: chemical milling, etching, anodizing, acid or caustic stripping, plating, black oxide, or powder coatings.

**CONTACT MANUFACTURING**

Offered for:
- Resin Systems
- Coatings
- Adhesives

Our ISO 9001 facility’s advanced manufacturing equipment is operated by expert technicians. Trust AC Products with manufacturing your proprietary formula to the highest quality standards.

This Airframer Index is one of a series of daily-updated documents available to subscribers at the Airframer web site.

For a full list of the aircraft programs and industry categories currently published please visit the www.airframer.com home page. Subscriptions are available to individuals and to organisations wishing to provide site-wide access for all staff.

Note that the information contained in this index has been compiled from a variety of sources, and has not necessarily been confirmed by the aircraft manufacturer in every case. Please refer to our terms and conditions of use on the last page of this report.
Company index

This list is sorted alphabetically by company name, and provides contact telephone and web address details. It also lists the company’s involvement in the Boeing 737 program. Please note that the program data is gathered from a variety of sources and not necessarily confirmed by the airframer.

Onboard intercom Systems - Flight deck digital control audio system

CMC Electronics Inc. Communication Antennas - CMA-200SB intermediate Gain Antenna

Cobham SATCOM Communication Antennas - hGA-701I high gain satcom antenna system

Collins Aerospace, Avionics Division Airborne Communication Systems - ICS-300 SATCOM for Boeing 737 MAX

Harris Antenna Products (EDO Corp) Communication Antennas - VHFR communication antenna

Honeywell Aerospace Radio Communications Equipment - Quantum Line communications/ navigation radios

Airborne Communication Systems - SATCOM systems

HR Smith (Technical Developments) Ltd Communication Antennas - Antennas

Rockwell Collins - ICG Airborne Communication Systems - Iridium Centus SATCOM terminal (737 MAX)

Flight and Data Management AstroNova Inc. Cockpit Printers - Optional flight deck printer; TrueWriter 640 flight deck printer for the 737NG and 737MAX

BAE Systems Platform Solutions Onboard Computers - Mission computer systems (P-8A)

Automatic Flight Control Systems - Spurker control electronic systems (737 MAX)

CMC Electronics Inc. Onboard Computers - Class 2 Portable Electronic Flight Bag

GE Aviation Systems Flight Management Systems - U13 for the Boeing 737 MAX

GE Aviation Systems - Digital Flight Management system; data acquisition replay tool; navigation database

Honeywell Aerospace Flight Management Systems - Flight data acquisition & management system

Flight Recorders - Cockpit voice & data recorders

Cockpit Printers - Mark V communications management unit with cockpit printer

Teledyne Controls Data Acquisition Systems - Digital flight data acquisition unit for airplane health management system; information management system (737NG & 737 MAX)

Thales Avionics Inc. Flight Management Systems - Integrated standby flight display

Imaging and Visual Systems

Avionics Max-Viz Enhanced Vision Systems (EVS) - Enhanced vision systems

Collins Aerospace, Avionics Division Enhanced Vision Systems (EVS) - Enhanced vision system; Multiscan weather radar

Telecommunications Corporation Reconnaissance Radar - APS-143(C) 3 multi-mode radar (P-8A variant)

Indicators and instruments

Avionics Displays, Inc. LCD Displays - Console displays (P-8A Poseidon)

Collins Aerospace, Avionics Division Head-Up Displays - Head-up guidance system Radar/ Radio Altimeters - Radar altimeters LCD Displays - Large format LCD displays (737 MAX)

Collins Aerospace, Sensors & Integrated Systems

Fuel Quantity indicators - Fuel quantity indicator

Angle of Attack indicators - Angle of attack sensors

Honeywell Aerospace Air Data Computers - HF/voice/HF data link

QID/InC Pressure indicators - miniature pressure gauges

Safaran Aerosystems / I/DI Aerospace Corp.

Keyboards - Keyboards, illuminated cockpit panels, integrated switch panels

Navigation Aids (Airborne)

Collins Avionics, Avionics Division Multi Mode Receivers (MMR) - GLU-925 multi-mode receiver with GLS-155 capability

Distance Measuring Equipment Automatic Direction Finders - Automatic direction finder VOR (OmniRange) Receivers - VOR receivers

Honeywell Aerospace Multi Mode Receivers (MMR) - I/MMR Integrated Multi-Mode Receiver option

Honeywell Aerospace, Sensor & Guidance Products Inertial Components & Systems - Air Data Inertial Reference System (ADIRS) on BBJ variants

Warning Systems

Collins Aerospace, Avionics Division Collision Avoidance Systems/TCAS - TCAS

Thales Avionics S.A. Flight Management Systems - Integrated standby flight display

Honeywell Aerospace, Electronic Systems Collision Avoidance Systems/TCAS - TCAS/ACAS with Mode S transponders

Honeywell Aerospace, Electronic Systems Auxiliary Power Units - APS 2000/ T-627-47C1 AU

Hutchinson Aerospace APU Components - APU mounts

Batteries & Accessories

Crane Aerospace & Electronics, Power Solutions Battery Chargers/Analysers - Battery charger

Raytheon Power Corporation Nickel-Cadmium Batteries - Battery power supply for emergency exit lighting supply

Safan America Inc. Nickel-Cadmium Batteries - 23180 serial n-cd batteries; 5290HV series n-cd batteries (737-600/700/800/900)

Electrical Power Systems

Astronics Advanced Electronic Systems (AES) Airborne Electrical Power Supplies - EmPower UltraLite in-seat power distribution system for the Max 8

Collins Aerospace, Electric Systems Power Distribution Equipment - Constant frequency generation system; a derivative system for the 737 MAX

ECG Power Distribution Equipment - Power controllers

Fokker Elmo Electrical Wire & Cable - Electrical wiring, junction boxes Engine Harnesses - Engine build-up unit electrical harnesses for LEAP engine (for Safaran)

Judd Wire Inc. Electrical Wire & Cable - Wire & cable

Raytheon Power Corporation Airborne Electrical Power Supplies - Sentinel Recorder independent Power Supply (RS8) flight voice recorder emergency power system

Engine Components

Aerospace Industrial Development Corporation (AIDC) Engine Housings - Engine case for CFM56

Albany Engineered Composites Turbo Engine Blades - Fan blades, fan cases, spacers & platforms for LEAP-1B engine

Avici Aero Engine Parts - Rotor blades & stator vanes, for CFM56 engine; three-stage rotor blades of low pressure turbine, core engine components for CFM56-7BE

Aviation Systems - Digital Flight data acquisition unit for airplane health management system; information management system (737NG & 737 MAX)

Power Systems

Collins Aerospace, Air Management Systems Auxiliary Power Units - APS 2000/ T-627-47C1 AU

Hutchinson Aerospace APU Components - APU mounts

Batteries & Accessories

Crane Aerospace & Electronics, Power Solutions Battery Chargers/Analysers - Battery charger

Raytheon Power Corporation Nickel-Cadmium Batteries - Battery power supply for emergency exit lighting supply

SUBSCRIBING

This Airframer Index is one of a series of documents derived from the online database at www.airframer.com. It is updated every day.

An expanding series of these index reports about key aircraft programs and about specific aerospace supply chain sectors are available.

Subscribers can access all of the reports, while all visitors can download the reports which have been sponsored.

An individual subscription can be ordered by credit card from www.airframer.com/subscribe_front.html.

A company subscription provides access for a number of concurrent users within a specified internet IP address range. More details are available by contacting Stephen Campbell on +44 (0)1279 714512 or stephen@airframer.com.

UPDATING

To advise us of additions, updates or corrections to the data included in this Index, please contact our research team on +44 (0)1279 714517 or research@airframer.com.

ADVERTISING

For full details, follow the advertising link at www.airframer.com

Sponsor (annual booking)

PDF:
- Your name on the front cover of the sponsored Index
- Full-page advertisement on page two
- Your details highlighted wherever they appear throughout the whole Index series

Web:
- Banner on the sponsored Index page
- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

Enhanced entry (annual booking)

PDF:
- Your details highlighted wherever they appear throughout the whole Index series

Web:
- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

To discuss advertising, please contact Bradley Wright on +44 (0)1279 714521 or brad@airframer.com.

Terms and conditions of use

The Airframer Index (“this Document”) is a publication developed by Stansted News Limited (“SNL”). By downloading and reading the document you are deemed to have accepted these terms and conditions.

USE OF CONTENT: The services and information provided in this Document are for your personal, non-commercial use only.

ACCUACY OF INFORMATION: Neither SNL nor any of its data providers or affiliates make any warranties expressed or implied, as to the accuracy, adequacy, quality or fitness for any particular purpose of the information or the services for a particular purpose or use and all such warranties are expressly excluded to the fullest extent that such warranties may be excluded or avoided by law.

INDEMNITY: You irrevocably indemnify SNL and its data providers and affiliates from and against any and all losses, damages and costs suffered or incurred by SNL or any data providers or affiliates of whatsoever nature arising out of or in connection with your use, provision or distribution of information of any part of this Document or any part or otherwise howsoever arising in relation to any breach of these terms and conditions by you.

HYPERTEXT LINKS: This Document provides hypertext links to sites on the Internet which are operated by other people. SNL takes no responsibility for and gives no warranties, guarantees or representations in respect of linked sites.

INTELLECTUAL PROPERTY: All intellectual property rights (including copyright, patents, trade marks) whether registered or not in this Document shall remain the property of SNL and no customer or other person shall, or shall attempt to obtain any title to such rights. Information appearing in this Document is the copyright of SNL and must not be reproduced in any medium without licence. Users are permitted to copy some material for their personal use as private individuals only. Users must not republish any part of the data either on a website, or in any other medium, print, electronic or otherwise, or as part of any commercial service without the prior written permission of SNL.

ADVERTISING AND SPONSORSHIP: Parts of this Document contain advertising and sponsorship. Advertisers and sponsors are responsible for ensuring that material submitted for inclusion in this Document complies with all legal and regulatory requirements and does not contain any material which is objectionable including, without limit, information which is defamatory, obscene, threatening or untrue. SNL will not be responsible for any such material or any error or inaccuracy in advertising material.

LIABILITY: Due to the number of sources from which this Document obtains content and the nature of electronic distribution via the world wide web neither SNL nor any of its data providers nor affiliates shall have any liability (whether in contract or tort) for any losses, costs or damages resulting from or related to use of or inability to use any information contained in this Document or the provision of this Document to the fullest extent to which such liability may be excluded or avoided by law and in no event shall SNL be liable to you for lost profits or for indirect, incidental, special, punitive or consequential damages arising out of or in relation to the provision of information on this Document. SNL makes no warranty that this Document is free from infection by viruses or anything else that has contaminating or destructive properties.

JURISDICTION: These terms and conditions will be governed by the laws of England and Wales and the parties agree to submit to the exclusive jurisdiction of the English Courts.
